We all love our pets and the joy they bring us.

At Braemar Vet Clinic, we believe that a proactive, preventative approach to your pet's health is far better than waiting until they are ill or suffering to put things right. We want to make preventative healthcare simple.

That's why when we designed **Braemar VIP Club**, we decided that **complete peace of mind** was our most important priority.

Your faithful friend can't tell you when they're feeling unwell so we want our healthcare plan to provide you with **reassurance**.

For that reason when you join our **Braemar VIP Club** you will benefit from **unlimited consultations*** with a vet or vet nurse. You can see one of our experts as often as you need throughout the year at no extra charge.

As a **Braemar Buddy**, your pet will also receive regular health checks, annual vaccinations, 12 months protection against fleas, ticks and worms and a wide range of other benefits in addition to savings over the year.

Reasons to join the Braemar VIP Club today

Your Braemar VIP Club membership provides the most comprehensive and cost-effective way to give your pet everything they need to stay healthy.

1. **Unlimited consultations*** with a vet or nurse, whenever you need them. Noticed something unusual with the way your pet is behaving? Your Braemar VIP Club membership gives you complete peace of mind – book an appointment as often as you need throughout the year at no extra cost (excludes out-of-hours appointments). Just pay for any tests, medicines or treatment required.
2. **Annual Vaccinations**
3. **A full health examination with your vet each year**
4. **25% saving on Kennel Cough vaccinations**
5. **Comprehensive 12-point health check every 6 months**
6. **Flea, Tick & Mange protection for 12 months**
7. **Worm protection for 12 months**
8. **FREE microchipping**
9. **FREE anal gland expression**
10. **FREE nail clips**
11. **10% off routine neutering**
12. **10% off pet food**
13. **10% off dental procedures**

As well as:

17. **Same day appointment guarantee** – as long as you call before 5pm

Plus advice and guidance on:

18. **Behaviour and training**
19. **Dental health**
20. **Diet**

And you will also benefit from:

No joining fee

No annual renewal fee

Your membership price is fixed for 12 months

Convenient payment by monthly direct debit

* Please note – “unlimited consultations” does not include out of hours appointments and has a fair usage policy.

** Including puppy and kitten courses, as well as re-starts for adult pets whose vaccinations have lapsed.

*** For comparative purposes the “bought separately” costs assume 1x consultation, 2 x nail clips, 2 x anal gland expressions and veterinary diets. Braemar VIP Club members are entitled to unlimited consultations, nail clips and anal gland expressions plus additional benefits. Therefore the amount saved each year could be significantly more than the figures shown here.

Do I still need pet insurance?

YES – pet insurance covers accidents and treatment for unexpected illnesses.

Braemar VIP Club focuses on preventative healthcare and has been carefully designed to help your pet have a healthy and happy life.

Pet Insurance, on the other hand, provides financial cover for accidents and illnesses.

We recommend combining your VIP Club membership with a pet insurance policy.
